

## Gardening

# Green Earth Landscape

## Welcome to the Green Earth Landscaping

As we step into June 2024, our team is excited to share the latest news, tips, and updates from the world of landscaping. In this issue, we'll take you through our featured project of the month, upcoming events, and expert advice on making the most of your outdoor space. Whether you're a seasoned gardener or just starting out, we hope you'll find inspiration and valuable insights within these pages.

### Upcoming

#### events/workshops:

June 15th: Gardening 101 Workshop

Join us for a beginner's guide to gardening, covering the basics of soil, plants, and maintenance.

June 22nd: Native Plant Sale

Explore our selection of locally sourced native plants, perfect for attracting pollinators and reducing water consumption.

June 1st: Fall Garden Clean-Up Workshop

Learn tips and tricks for preparing your garden for the changing seasons, including pruning, mulching, and composting.

June 15th: Outdoor Lighting Design Seminar

Discover the art of outdoor lighting, from ambiance to safety, and learn how to enhance your garden's evening beauty.

## Serenity Garden Makeover:

This month, we're proud to showcase our stunning transformation of a local residential garden. Our team turned a neglected outdoor space into a serene oasis, perfect for relaxation and entertainment.

Don't miss out on these amazing opportunities to enhance your outdoor space! Contact us today to learn more
