ABOUT MYSELF

ABOUT MYSELF

I am Adeniye Taiwo Oluwabori, a **young Architect, an Artist, and a graphic designer**. I am known as AlexSpeedStar.

AlexSpeedStar is a creative graphic designer, dedicated to creating visually impactful designs that communicate, inspire, and transform ideas into powerful visuals. With expertise in branding, illustration, typography, and digital design, I thrive on turning concepts into compelling stories.

My design approach is driven by:

- ★ **Purposeful Creativity:** Every project is tailored to meet the client's unique goals, blending aesthetics with functionality.
- ★ **Attention to Detail:** From intricate logo designs to immersive web layouts, I ensure precision and clarity in every element.
- ★ **Versatility:** Experienced in diverse design areas, including social media graphics, business flyers, church flyers, birthday flyers, etc.
- ★ **Client-Centric Solutions:** Collaborating closely to deliver designs that resonate with the audience and create lasting impressions.

ABOUT MYSELF

ABOUT MYSELF

Software Proficiency: Adobe Creative Suite (Photoshop, Illustrator, Lightroom), CorelDRAW, Figma, Canva, and Pixellab.

Experience:

With 3 years of experience, I have created impactful visuals for various organizations like Hyper Technical Services (HyperTechs), Christ Redeemer's Ministry (CRM) Oyo Zone, THE Redeemed Christian Church Of God House Of Victory Zonal, Redeemed Christian Fellowship First Technical University Chapter, Joint Unified Christian Campus Fellowship First Technical University, Idile Foods, Makdad Consult Studio etc. Enhancing brand visibility and communication effectiveness.

Whether you're looking to revitalize your brand, craft engaging content, or bring your vision to life, I am here to design the extraordinary.

I am passionate about creating quality and impactful designs for my clients.

@alexspeedstar, creativity meets quality to deliver the very possible best.
